Legal Statement:

I affirm the accuracy and completeness of the information I gave and commit that I will inform the AStA about every change of my financial situation especially concerning own work, internships and/or growth of my resources e.g. inheritance immediately.

I am aware that culpable incorrect, incomplete or belated information consequently cause the loss of any support from the aid fund of the student body of the TU Braunschweig and are also followed by filed charges of deceit.

I commit that I will pay back every overpaid fund amount that is based on false information that does not comply with my actual situation during the appropriation period even though it is not my fault.

I will inform the AStA about every change of my address.

I agree that my information can be checked with the support of the matriculation office.

To avoid double appropriation of my application I agree that for a purposeful appropriation of a subsidy from the aid fund following data are checked between the Social advisory service of the student union Braunschweig and the Sozialreferat of the AStA: Matriculation Number, amount submitted and period of approval.

Braunschweig, the _____
